

# His Competitors Call Him Ruthless, Incredible, 'The Iceman'

## We just call him Skippi

He's quick on his wheels, can stop on a dime, and never hesitates to go for the steal.

He's also got Otto Bock behind him. Otto Bock's Kid's Mobility Products are designed to grow with your child and work with a variety of seating systems to provide the best support and positioning available. That's something that matters to 'The Iceman' when it's time to win, both on the blacktop—and in life.
